Article 4 Admission and Admission Ticket

- 4.1 The Visitor is obliged, when entering the Event Location and during the period the Visitor is present at the Event Location, to hold a valid proof of identity and a valid Admission Ticket and show these at the first request of PAR-T BVBA employees, Event Location employees, security staff, the police and/or another competent authority.
- 4.2 An Admission Ticket is provided to the Visitor once and grants one Visitor access to the Event and the Event Location.
- 4.3 An Admission Ticket only grants the holder of the Admission Ticket access to the Event Location. It is the Visitor's personal responsibility to ensure that he becomes and remains the holder of the Admission Ticket. Admission Tickets are and remain the property of PAR-T BVBA.
- 4.4 An Admission Ticket may consist of a document issued by or on behalf of PAR-T BVBA or a barcode issued by or on behalf of PAR-T BVBA. The barcode is a unique code that is provided to the Visitor via means of electronic means of communication (for example by e-mail). If the Visitor has chosen to receive the Admission Ticket in this manner, the Visitor will be required to ensure that this Admission Ticket can actually be provided to him in a secure manner via the electronic means of communication. In such cases, PAR-T BVBA does not guarantee the confidentiality of the means of communication used for sending the Admission Ticket or the proper receipt of the Admission Ticket.

- 4.5 Only purchase via PAR-T BVBA or the (Advance) Sales Outlets engaged by it guarantees the validity of the Admission Ticket. The burden of proving such validity lies with the Visitor. The Visitor may be denied access to the Event Location if it were to become clear that the Admission Ticket was not obtained from PAR-T BVBA or from an (Advance) Sales Outlet engaged by PAR-T BVBA.
- 4.6 In the event the Visitor claims a discount when purchasing an Admission Ticket, the Visitor will be obliged to show the document that entitles to a discount.
- 4.7 The risk of the loss, theft, damage or abuse of the Admission Ticket rests with the Visitor from the moment the Admission Ticket has been made available to the Visitor. The Visitor is not entitled to a refund of the Admission Price or any other compensation in the event of loss, theft, damage or abuse of the Admission Ticket or if the Visitor does not use the Admission Ticket for any reason. Once an Admission Ticket has been obtained it cannot be returned or exchanged.
- 4.8 The Visitor is not permitted to remove and/or modify statements in respect of copyrights, trademarks, logos, trade names and/or other industrial or intellectual property rights of PAR-T BVBA, its licensors and/or (Advance) Sales Outlets, from the Admission Ticket or to have such done. Such modifications may render the Admission Ticket invalid.
- 4.9 PAR-T BVBA reserves the right set a maximum number of Admission Tickets that may be acquired by each (potential) Visitor; the (potential) Visitor is obliged in such cases to comply therewith.
- 4.10 Articles 4.1 to 4.9 apply in full to Customers.

The Visitor guarantees that the aforementioned third parties comply and/or will comply with all of those obligations.
- 5.4 If the Visitor fails to comply with the obligations arising from this article, PAR-T BVBA will have the right designate the Admission Ticket as invalid and the Visitor will owe PAR-T BVBA an immediately due and payable penalty that is not subject to judicial mitigation of €5,000 (in words: five thousand euros) per Admission Ticket and €250 (in words: two hundred and fifty euros) per day this violation continues, without prejudice to all other rights of PAR-T BVBA, including the right to claim performance and/or full compensation as well. The holder of an invalid Admission Ticket is denied entry to the Event or to the Event Location and is not entitled to any compensation. Moreover, the Visitor may be liable to sanctions in implementation of the Act dated 30 July 2013 on the sale of event admission tickets.
- 5.5 Articles 5.1 to 5.4 above apply in full to Customers. PAR-T BVBA may nevertheless conclude different agreements with Customers in writing.

Article 6 Liability

- 6.1 Traveling to and from and entering, residing in and leaving the Event Location and attending the Event at the Event Location takes place entirely for the risk of the Visitor and the Purchaser.
- 6.2 PAR-T BVBA is not responsible and accepts no liability for any damage resulting from a cancellation attributable to force majeure, nor for a change or relocation of an Event that is not substantial in nature or attributable (even if only partly) to circumstances beyond PAR-T BVBA's control, nor for any other damage that results directly or indirectly from the acts or omissions of PAR-T BVBA and/or the Event Location, of persons employed by (either of) them, or other persons that have been employed by or on behalf of (either of) them, or of third parties, during the Event or in connection with the travel to and from or the stay at the Event Location, unless the damage results from intent or gross negligence on the part of PAR-T BVBA or these persons.
- 6.3 PAR-T BVBA is not liable and does not accept liability for the manner in which programme of the Event is implemented, modified or otherwise, including the content and duration of the programme of the Event, unless said implementation deviates in a substantial manner from what a regular Visitor or Customer would expect and this deviation results exclusively from a circumstance that is within PAR-T BVBA's control.
- 6.4 If and to the extent PAR-T BVBA is liable on any ground towards the Visitor or the Customer for any damage sustained by the Visitor or the Customer, said liability is always limited to direct damage, consisting of damage to property, sustained by the Visitor and/or the Customer. In such cases, PAR-T BVBA is also only liable if the Visitor or Customer notifies PAR-T BVBA in writing of the defect without delay, whereby a reasonable term is provided to comply with the obligation as yet (if still possible) and if PAR-T BVBA continues to fail to comply with the obligation after that notice of default as well.
- 6.5 PAR-T BVBA cannot be held liable for the loss of clothing and/or other property owned by the Visitor or the Customer and does not accept any liability as such. If the Visitor or the Customer is able to demonstrate by means of specific evidence that the loss of clothing and/or other property owned by the Visitor or the Customer results exclusively from intent or gross negligence on the part of (employees of) PAR-T BVBA, PAR-T BVBA will, upon display of a valid receipt, pay compensation for the relevant property to that Visitor in the amount of the purchase amount subject to a maximum of €250 (in words: two hundred and fifty euros).
- 6.6 Lost and found items must be handed in to the person working behind the bar, the counter at the lockers or the cash register of the Event Location. Lost and found items are kept by the lessor of the lockers, during which period the lawful owner can retrieve the property lost by him or her from the lessor of the lockers.
- 6.7 The Visitor and the Customer are expressly aware of the fact that loud music may be played during the Event and on or near the Event Location. PAR-T BVBA advises Visitors and Customers to protect their hearing during the Event using special ear plugs and allowing their hearing to rest from time to time by going to an area where no music is played.

Article 7 Changes to, cancellation or relocation of the Event

- 7.1 PAR-T BVBA has the right to change (parts of) the Event if circumstances require it to do so.
- 7.2 PAR-T BVBA has the right to cancel or relocate (parts of) the Event if circumstances require it to do so. It is the responsibility of the Visitor and the Customer to verify whether (parts of) an

Event is to be or has been cancelled or is to be or has been relocated and, should this be the case, to find out the new date or the new venue. If an Event is cancelled or relocated, PAR-T BVBA will endeavour to ensure that, as soon as it becomes aware thereof, the Visitor or Customer is notified thereof. PAR-T BVBA cannot guarantee, however, that the Visitor or Customer receives this information before the start of the Event. PAR-T BVBA is not liable for any damage if the Visitor or the Customer did not receive this information in a timely manner and it is able to demonstrate that it implemented reasonable measures to inform the Visitor and the Customer thereof.

- 7.3 If the Event is cancelled entirely, PAR-T BVBA will refund the Admission Price, including the service and administration costs, to the original purchaser of the Admission Ticket at the written request of the Visitor or the Customer.
- 7.4 In principle, Admission Tickets for Events that are relocated remain valid for that relocated Event. Visitors or Customers can contact PAR-T BVBA at info@par-t.be for more information.
- 7.5 If an Event is moved to a different date by or on behalf of PAR-T BVBA, for example as a result of or in connection with force majeure, the Admission Ticket will remain valid for new date on which the Event will take place. If the Visitor is unable or unwilling to attend the Event on the new date, the Visitor will have the right to return the Admission Ticket to PAR-T BVBA or to an (Advance) Sales Outlet engaged by PAR-T BVBA against refund of the compensation that is stated on the Admission Ticket, irrespective of the price the Visitor paid for the Admission Ticket. Service and/or administration costs will not be compensated.

Article 8 House rules PAR-T BVBA

- 8.1 Unless otherwise provided for in the House Rules, Visitors to the Event and the Event Location must in principle be at least 18 years of age. Employees of PAR-T BVBA or the Event Location and/or security staff have the right at all times to demand that the Visitor identifies himself by means of a valid proof of identity. If and as soon as it becomes clear that the Visitor has not yet reached the age of 18, the Visitor may be denied access to the Event and/or the Event Location, without the Visitor being entitled to compensation of the Admission Price and any service and/or administration costs charged and/or costs that arise otherwise.
- 8.2 The PAR-T BVBA House Rules apply to each visit by the Visitor to the PAR-T BVBA Events. Visitors are required to act in accordance with these House Rules of PAR-T BVBA and/or the Event Location and in accordance with the prevailing social standards of decency and public morality. If the Visitor does not act in such a manner in the opinion of the employees of PAR-T BVBA and/or the Event Location and/or security staff, the Visitor may be confronted in this connection by employees of PAR-T BVBA and/or the Event Location and/or security staff. In the event the House Rules are violated or in case of any repeated or continued conduct on the part of the Visitor that is not in accordance with the aforementioned House Rules and the prevailing social standards of decency and public morality, the Visitor may be denied access to the Event and, if necessary, the Visitor may be handed over to the police, without the Visitor becoming entitled to compensation of the Admission Price of the Admission Ticket and any service and/or administration costs charged and/or other costs.

Nevertheless, PAR-T BVBA does not guarantee that the Event will be entirely smoke-free. The fact that the Event may not be entirely smoke-free does not entitle the Visitor to a refund of the Admission Price or any other compensation. The Visitor will be immediately removed from the Event and the Event Location if the Visitor violates the smoking ban. Any fines imposed on PAR-T BVBA as a result of the violation of the smoking ban on the part of the Visitor will be recovered from the Visitor.
